Special Volunteer opportunities and annual drives

In December, we have our annual **Winter Weather/Warm Coat drive** for coats, boots, scarves, gloves and hats, as well as for special bags of goodies for our residents. Throughout the year, there are many opportunities available for small groups including helping to prepare or serve meals to our clients and making sandwiches for drop in clients. If you have a special skill like providing haircuts/cosmetology, would like to host a party or activity for our residents, or your group wants to help in another way, please contact Tiara Nixon, Volunteer Engagement Manager at tnixon@ywcaworks.org to get on our schedule.

Where can I drop off or ship items and what is the process?

We are happy and available to accept donations by appointment, 9:30 am-5pm Mon-Fri

If dropping off items, please call ahead to let us know you are coming and we can direct you to the best location to drop off your items.

If ordering online, please let us know your order is coming by emailing Lori Bugaj at lbugaj@ywcaworks.org. Ship items to:

YWCA Phillis Wheatley office
ATTN: Lori Bugaj/Angeline's Shelter Needs
2820 E Cherry St
Seattle, WA 98122

When you arrive, we will gladly help you unload your items. We have in-kind donation forms we ask you to fill out that you can use as a tax receipt for your donation. To determine the estimated value of your donation, we suggest you use online "Donation Valuation Guide" sources to help you. When you fill out an in-kind donation form, it helps with our current and future shelter planning capabilities.

Thank you for helping our YWCA women and families!
